Self-care

Mindfulness Basics during Pregnancy

Develop a practice of mindfulness, both formal and informal in your life. To allow optimum learning, sharing and support to occur, capacity is limited. Each week we'll build on what was learned and practiced the week before. You will learn and develop the ability to know:

- What is mindfulness of body/thoughts and feelings?
- How to apply mindfulness so it can support you in your life/relationships and caring for your baby
- How to make time for yourself. To pause, breathe and ground in your body.
- How to apply the skills of mindfulness of body, thoughts and feelings
- How to refocus your attention to moments of goodness during cycles of worry and anxiety.
- How to manage your anxiety and potential for depression in a positive and healthy way.

These classes also offer an opportunity for connection and support in a group of other women who are pregnant. The skills of mindfulness have been shown through research to have a beneficial impact on your baby.

Fee: \$120 per series, Sundays, Six-week series, 4:00-5:00 pm

The New Nest: From Partners to Parents (PP)

Learn how the birth of a baby alters your partnership during this workshop. Additional topics covered:

- Common relationship stressors that arise after the baby's birth and research outlining how the birth of a baby can impact partnerships.
- How to prepare your relationship for the life change of parenthood.
- Helpful family and Postpartum resources.

Fee: \$50, One session class, 6:00-7:30 pm
