### Great Expectations Classes 2019

**Before Delivery-Prenatal Childbirth**

**Childbirth Preparation: Birth Alternatives**
This class addresses the needs and interests of women who wish to have an intimate, fully-involved birth experience. This class covers the basic childbirth preparation content with an added emphasis on natural delivery and making choices in response to the birthing process. A variety of labor support techniques and comfort measures is covered.

Fee: $190 per series, 4 classes in a series, 6:00-8:30 pm

**Childbirth Preparation: Integrated Methods**
You’ll receive an overview of the stages and process of labor, breathing and relaxation techniques, support, medication options, variations in labor including cesarean birth, and immediate postpartum care for mother and baby.

Fee: $190 per series and 4 classes in a series, 6:00-8:30 pm

**Childbirth Preparation: Intensive**
A one-day workshop designed to give participants the basic tools and information for preparing for birth. This class incorporates all information from the Childbirth Preparation: Integrated Methods class into an accelerated format.

Fee: $200, One session class, 9:30 am-4:30 pm

**Pain Relief & Labor**
Learn about the pain medication options available to assist you during labor and childbirth. Discuss your concerns or questions with a UCSF Anesthesiologist.

Fee: No charge, One session class, 6:30-8:00/7:00-8:30 pm

### Breastfeeding

**Breastfeeding and the First Few Months (Intensive)**
The basics of breastfeeding are covered and you will also learn practical tips for the first few months of breastfeeding, including insights for returning to the work environment.

Fee: $110, Saturday or Sunday, 9:30 am-2:30 pm

**Breastfeeding Twins or More**
This class is designed to prepare expectant mothers on how to confidently breastfeed multiples. Learn practical tips and special considerations for nursing twins or more including latch-on, positioning, establishing a plentiful milk supply, and overcoming breastfeeding challenges.

Fee: $75, One session class, 6:00-9:00 pm

Note: Please bring two pillows, a blanket and a meal to Childbirth Preparation classes.

We recommend that you sign up EARLY, and take after 20 weeks for these classes. Fees are priced for two people.

---

**UCSF Employee Discount**
All UCSF badge wearers (staff, students, faculty, etc.) receive a special 15% discount on our products, including books and lactation supplies (discount excludes: classes, breastpump rentals and library memberships).

Parenting/Baby Care

Parenting During the First Few Months
The workshop offers basic baby care and techniques to care for your newborn and emphasizes postpartum care for mom. Learn about newborn characteristics, infant milestones, bathing, hygiene, diapers, diapering, crying, comforting, sleep, and recognizing the signs of illness. Great for first-time parents.

Fee: $110 per series, Two-part series 6:30-9:00 pm or Saturday or Sunday, 9:30 am-2:30 pm

Expecting Twins or More
This evening 3-hour workshop is designed to give expectant parents basic information on raising twins or more including reassuring advice and practical considerations. Topics include: important aspects of prenatal care, labor and delivery, feeding issues, and preparing home and family for the arrival of multiples. Recommended after 20 weeks.

Fee: $75, One session class, 6:00-9:00 pm

Infant CPR
Learn vital skills to handle an emergency. The two hour class covers recognizing an infant or child in distress, performing emergency measures to relieve airway obstruction in a choking infant or child, performing CPR on an infant or child who is not breathing or is without a heartbeat, and identifying risks of preventable infant and childhood injuries. This is a great class for parents, family members and childcare providers. Note: This is not a CPR Certification course.

Fee: $110, One session class, 11:00 am-1:00 pm or 2:00-4:00 pm

Infant Massage-Prenatal (P/N) (0-6 wks)
Learn techniques, before delivery, that help promote the development and overall physical and emotional health of your baby, as well as enhance the bonding and attachment with caregivers.
You will learn a full body massage that meets the needs of your new baby. A few topics include: newborn stages, getting to know and respond to your baby's cues, sensory stimulation tolerance, addressing early feeding and digestive difficulties and more. Taught without babies.

Fee: $60, One session class, 2:00-4:00 pm

Self-care

The New Nest: From Partners to Parents (PP)
Discover how the birth of a baby alters your partnership.
- Common relationship stressors that arise after the baby’s birth
- How to prepare your relationship for the life change of parenthood
- Helpful family and postpartum resources

Fee: $45, One session class, 6:00-7:30 pm

The New Nest: Emotional Aspects of Pregnancy (EA)
Learn how pregnancy can impact your emotional well-being and how to care for yourself.
- How to recognize signs and symptoms of common maternal mental health concerns, like anxiety and depression
- Emotionally caring for yourself during pregnancy
- Helpful psychological resources to help you navigate pregnancy and new motherhood (The workshop is helpful for women experiencing prenatal mood concerns, like depression or anxiety, or concerned about postpartum mood concerns)

Fee: $45, One session class, 6:00-7:30 pm

Birth Center Tour
Learn about the facilities and the practical aspects of arriving at the hospital when you are in labor.
Call (415) 353-2667 or 514-2670 for recent updates on tour dates and times.
Alternatively, you can view the video at: womenshealth.ucsf.edu/whrc
Due to hospital policy, children are not allowed on the tour. In-person tours are elective.

All UCSF Great Expectations classes and programs are facilitated by specialists, certified and trained educators.

UCSF Lactation Program
The Lactation Program provides women and their families with supportive education and advice about breastfeeding. Once you are discharged, lactation support continues with available clinic appointments with a lactation consultant and referrals to our physicians and midwives as needed.
Please call (415) 353-2565 for more information.
### UCSF MILK Support Group

**After Delivery-Postpartum**

**Pumping & Returning to Work (PRW)**

This postpartum class teaches practical tips and advice on transitioning to the world of working, while pumping and continuing to breastfeed your baby. Topics include: preserving a breastfeeding relationship, maintaining your milk supply, pumping schedules, collecting/storing/transporting breastmilk, bottle feeding, problem solving, creating a supportive work environment for the breastfeeding mom, and more. Individualized suggestions are provided for each participant. Support persons are encouraged to attend and babies are welcome.

**Fee:** $45, One session postpartum class, 6:30-8:30 pm

**The Afterglow**

A postpartum support group for new mothers taken after your baby is born. In this six-week postpartum support group, new mothers, along with their babies, gather to share their experiences and support one another in their new days of parenting. During this group, participants will learn about the “Baby Blues” and the emotional changes that can occur after childbirth. They will practice self-care, relaxation techniques, including yoga, which is clinically proven to reduce stress and increase mom's well-being. They will also discuss the highs and lows of motherhood in a supportive space and connect with other new mothers. Facilitated by Melissa Whippo, LCSW & Juli Fraga, Psy.D.

“Afterglow gives me a safe place to share feelings and thoughts during postpartum. It’s a space where moms get together in an environment led by compassionate and qualified professionals; a time where I don’t feel isolated with what I’m going through, good or bad, which carries me through the rest of the week.”
