You will learn and develop the ability to know:

- What is mindfulness of body/thoughts and feelings?
- How to apply mindfulness so it can support you in your life/relationships and caring for your baby
- How to make time for yourself. To pause, breathe and ground in your body.
- How to apply the skills of mindfulness of body, thoughts and feelings
- How to refocus your attention to moments of goodness during cycles of worry and anxiety.
- How to manage your anxiety and potential for depression in a positive and healthy way.

These classes also offer an opportunity for connection and support in a group of other women who are pregnant. The skills of mindfulness have been shown through research to have a beneficial impact on your baby.

**Fee:** \$120 per series, Sundays, Six-week series, 4:00-5:00 pm
